Lovely

By Billie Eilish and Khalid

Wanna feel alive, outside I can fight my fear

Need a place to hide, but I can't find one

Isn't it lovely, all alone?

Something's on my mind

Tear me to pieces, skin and bone

But you never go away (never go away)

Thought I found a way
Thought I found a way, yeah (found)
.....
So I guess I gotta stay now

Oh, I hope some day I'll make it out of here
Even if it takes all night or a hundred years
.....
Wanna feel alive, outside I can fight my fear

.....
Heart made of glass, my mind of stone
Tear me to pieces, skin to bone
Hello, welcome home

Walkin' out of town
Lookin' for a better place (lookin' for a better place)
.....
Always in my headspace

Woah, yeah
Yeah, ah
Woah, woah
Hello, welcome home
