

Reading comprehension about **recycling** in Birmingham

➤ Read the text below then tick the correct answers to the questions.

Your wheelie bin for **recycling** has a blue lid and it has a **pod** for paper and card. The **pod** keeps paper and card separate from the other materials in the main body of the bin and helps the council sort the different types of recycling.

The council will also collect a reasonable amount of cardboard but it must be neatly bundled and not larger than the bin. It can be left next to or on top of your recycling wheelie bin if it does not fit in the pod. The council refuse collection team do not collect anything else left nearby a wheelie bin.

You should put your recycling wheelie bin out at the front of your property between 3:30pm the day before your collection is due and 5am on the day of your collection. You can also take your recycling to your nearest household recycling tip if you miss the collection.

The recycling section of the Birmingham City Council website has a video with clear instructions about what should and shouldn't be put in the recycling wheelie bin. Video:

Birmingham City Council website source:

https://www.birmingham.gov.uk/info/20009/waste_and_recycling/105/what_goes_in_my_bins

This leaflet below also shows what you should and should not put in the recycling bin. Use it to answer the questions below.

The screenshot shows the LiveWorksheets website interface. At the top is a dark blue header with the 'LIVEWORKSHEETS' logo, a search bar, and navigation links for 'Home', 'About this site', 'Interactive worksheets', 'Make interactive worksheets', 'Make interactive worksheets', 'Community', and 'Help'. Below the header is a 'Students access' button and a 'recycling' tag. The main content area features a worksheet titled 'How to recycle properly in Birmingham' with a subtitle 'Choose to add and/or but in the spaces in the information about recycling properly'. To the left of the worksheet content are details: 'ID: 1821441', 'Language: English', 'Subject: English as a Second Language (ESL)', 'Grade/level: C1', 'Age: 12+', 'Main content: Information about recycling', and 'Other contents: Joining words in conjunctions and but'. To the right of these details is a list of sharing options: 'Add to my worksheets (0)', 'Download the pdf', 'Embed in my website or blog', 'Add to Google Classroom', 'Add to Microsoft Teams', 'Share through Whatsapp', 'Add to my collection (0)', 'Like', and 'Favorite'. Below the sharing options is a 'Link to this worksheet' section with the URL 'https://www.liveworksheets.com/rq1823449zt' and 'Easy' and 'Custom link' options. The worksheet content itself is titled 'Joining words or conjunctions *and but*' and includes the instruction 'Put *and* or *but* in the spaces to complete the sentences.' The first sentence is 'Your wheelie bin for recycling has a blue lid. It has a red for paper and'. There are two small images: a blue wheelie bin on the left and a recycling bin on the right. On the far right of the worksheet preview, there are social media sharing icons for Facebook, Twitter, Email, Print, and a green icon.
