

JOBS IN IT

Lesson 4

Activity 1: Read this team introduction. Complete the descriptions 1-4 with the IT jobs in the box.

Hi! I'm Sylvia. I create usernames and passwords and I set firewalls.
This is Isabelle. Her job is to plan and design the network. And this is Andrew. His job is to make sure all of the computers work properly. Finally, Mark and Latika. Their area is data processing. We all work for the university. Our offices are in building B.

database analyst IT support officer network administrator
network architect
