

Material Girl – Madonna

Some boys kiss me
Some boys hug me
I think they're ok
If they don't give me proper

I just walk away
They can beg and they can

But they can't see the light
(that's right)
'Cause the boy with the cold
hard
Is always Mister Right

*'Cause we are living in a
material world*

*And I am a
You know that we are living
in a material world*

*And I am a material girl
Chores*

Some boys
Some boys slow dance
That's all right with me
If they can't my
then I
Have to let them be
Some boys try and some boys
lie but

I don't let them (no
way)

Only boys who save their

Make my rainy day

Chores

You know that we are living
in a material world

And I am a material girl

Living in a material world
(material)

Living in a material world
repeat

Boys may come and boys
may go

And that's all right you see
Experience has made me

And now they're after me

'Cause everybody's living in a
material world

And I am a material girl
You know that we are living
in a material world
