

Dear Kate,

How are you? I **1** (miss) you a lot! Right now, I **2**(sit) in a coffee shop in Manhattan. Lots of business people **3** (walk) fast in the street, and lots of tourists **4**(look) at the amazing buildings around them.

I love New York! It is a great city! Every morning, I **5**(get up) early and I **6**(go) for a run in Central Park. Then I **7** (have) some coffee and bagels before going to work. On Mondays, I usually visit my friend Bruce Wayne. He **8** (live) near my house and he **9** (like) playing Fortnite, so we often **10** (play) video games together. Today, my friends and I **11** (go) to the Museum of Natural Science. I **12** (take) my camera to photograph all the amazing animals!

What about you? Whatyou (do) at the moment?

I hope to see you soon.

Take care,

Sally.
