

Remember those walls I _____
Well baby they're tumbling down
And they _____ even put up a fight
They didn't even _____ a sound

I _____ a way to let you in
But I never really _____ a doubt
Standing in the light of your halo
I _____ my angel now

It's like I've been awakened
Every rule I had you breaking
It's the risk that I'm taking
I ain't never gonna shut you out

Everywhere I'm looking now
I'm _____ by your embrace
Baby I can _____ your halo
You know you're my saving grace

You're everything I _____ and more
It's written all over your face
Baby I can _____ your halo

Pray it won't fade away
I can feel your halo, halo
I can see your halo, halo
