Once upon a time, there was an intelligent monkey. He lived on a beautiful island, in an apple tree. One day, a crocodile swam to the island. "I'm hungry," he said. So, the monkey threw a red apple to the crocodile. The crocodile ate and ate. The next day, the crocodile came back. "Please, may I have two apples?" he asked. He ate one and gave one to his wife. The crocodile went to see the monkey every day, to listen to his stories and eat his apples. He wanted to be intelligent, just like the monkey.

The crocodile's wife had an idea. "Why don't you make him your friend? That way you will always be able to talk to him!"
