

Read and complete with present continuous/ progressive

It is lovely sunny Saturday day and my friends are at home because we are having a birthday party. My friend Karla is making some sandwiches at the kitchen and Paul is preparing some drinks. Also, my mom is cooking spaghetti and my dad is playing pop music because my friend Sofia likes to dance, and she is dancing with Pablo in the garden. Sofia is wearing a colorful dress and she is not wearing shoes because the day is warm. We are having fun and we are enjoying a lovely sunny Saturday.

Activity # 1 Complete the questions WH? And complete the questions

Who

What

Where

What

What

1..... is dancing?
