

## Centuries by Fall Out Boys

Teacher Camila Mello - Kids 5

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries 2x  
Mummified my teenage dreams  
No, it's wrong with me  
The kids are all wrong  
The stories are off  
Heavy metal broke my  
Come on, come on and let me in  
The bruises on your thighs like my fingerprints  
And this is supposed to match  
The darkness that you felt  
I never meant for you to fix yourself  
legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries 2x  
And I can't stop 'til the whole world knows my name  
'Cause I was only born inside my dreams
