

LESSON 6: Keeping Privacy Online

I. Watch the video.

II. Draw a line to match the vocabulary with the correct definition.

- | | |
|--------------------------|---|
| 1. Home address | • be careful |
| 2. Password | • a secret combination of letters and numbers |
| 3. To feel uncomfortable | • connecting to the Internet |
| 4. Be cautious | • the house number, street, and town where you live |
| 5. online | • to feel worried or embarrassed |

III. Select TRUE for the information that we can share online and select FALSE for the information that we should not share online.

- | | | |
|-------------------------------------|--------------------------------------|----------------------------|
| <input type="button" value="TRUE"/> | <input type="button" value="FALSE"/> | 1. Home Address |
| <input type="button" value="TRUE"/> | <input type="button" value="FALSE"/> | 2. Likes and dislikes |
| <input type="button" value="TRUE"/> | <input type="button" value="FALSE"/> | 3. Name of school |
| <input type="button" value="TRUE"/> | <input type="button" value="FALSE"/> | 4. Parent's office address |
| <input type="button" value="TRUE"/> | <input type="button" value="FALSE"/> | 5. Favorite pet |
