

## Atividade de Matemática

Nome completo:

01) Qual a área do triangulo que mede, complete corretamente:

- a) 6 cm de base e 3cm de altura  $15 \text{ cm}^2$
- b) 2 m de altura e 1m de base  $9\text{cm}^2$
- c) 5 cm de altura e 6 cm de base  $100\text{cm}^2$

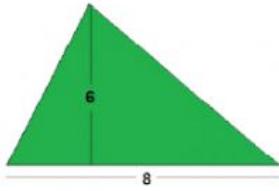

02) Observe a figura;

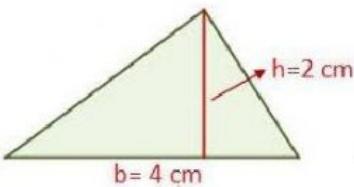

Qual a área desse triângulo?

- a)  $15 \text{ cm}^2$
- b)  $20 \text{ cm}^2$
- c)  $10 \text{ cm}^2$
- d)  $9 \text{ cm}^2$

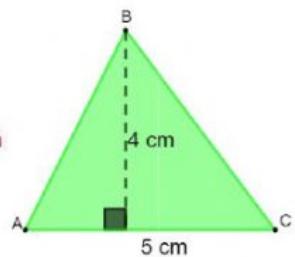

03) Relacione cada triângulo a sua respectiva área.

$$4 \text{ cm}^2$$

$$24 \text{ cm}^2$$

$$10 \text{ cm}^2$$
