Hi Mara,

I went to an Italian restaurant yesterday because it was my grandfather's birthday. I had a pizza but I didn't like it. There were too many chillies and not enough cheese! So my dad ate my pizza and I ate his pasta. The pasta was nice, it had some tomatoes in the sauce. I had ice cream after my pasta. It was nice, but there wasn't enough chocolate. Also, the restaurant was very busy and there weren't enough waiters. There was only one waiter and one chef. We waited ages for our food. Oh well …

Yesterday I had too much homework, but today I'm going to make a cake! I think I've got all the ingredients, and I've got lots of chocolate! Do you want to come and help me? I haven't got enough aprons. Can you bring yours? See you later!
