Uwaga! Jedna z wypowiedzi pasuje do dwóch pytań.

YOUNG SPORTS STARS

	A. I started sailing 3 years ago because my twin brother Tom took it up. Tom and I compete with each other all the time, which sometimes makes our parents angry. I'm glad Tom's not on my sailing team, because we'd fight all the time. Luckily, in the championships I sail a boat with another girl, and it's great that we understand each other.
	B. I chose diving because for me it feels like flying. My coach is Sam. We've been cooperating for 7 years already. He knows me well. I can easily get annoyed when things aren't going well. Then Sam helps me deal with my emotions. It's because of him that I want to keep pushing myself to do my best. This year I got my first gold medal for Britain.
	C. I just enjoy the miles of cycling. I believe that to be successful you need to work hard. That's what my older brother keeps telling me. I practise two hours a day on weekdays and six hours daily at weekends. But on top of this I have to look after my bike. When something breaks, I deal with it myself.

Which person

9.1.	repairs his/her own equipment?	
9.2.	chose the same sport as his/her brother?	
9.3.	becomes angry if he/she is not successful?	
9.4.	works with a partner during competitions?

A. Join the Master Maths school competition

- Win £2000 for online maths tools for your school.
- Work as a team and deal with complicated mathematical problems under a time limit.
- Pay no registration or participation fees.
- Meet a maths genius, Joseph Burke, in the Grand Final. He will teach you tricks for working out even the most complex maths puzzles.

You are the next Einstein! Show it to the world!

We will send the registration documents to schools by 3rd November.

B. If you need some help in maths and you'd like to improve your grades, then **take extra classes with *Maths Twister*.**

We are a group of professional tutors who have been teaching maths for over a decade!

During our one-to-one classes you will work at your own speed,
in a friendly and relaxed atmosphere.

You can also regularly check your progress using a set of tools designed by Maths Twister experts, which are available on our website mathstwister.co.uk.

Cost: £10/45 mins

You don't need to fill in any documents. Just contact us on 0161 437 2494.

C. An audition will be held for the “*Maths Titans*” web series.

The documentary will look at the everyday lives of teen Einsteins.

The weekly episodes will be streamed online.

Who? If you're a genius who solves mathematical puzzles in no time, then come and present your talents to the members of our casting panel.

What & How much? Bring the completed application form, your passport or ID and the registration fee of five pounds.

Where? The Consulting Group, building C, Suffolk.

When? 25th October

9.1.	You will work in a group.	
9.2.	You can use online tools.	
9.3.	You will take part in the event for free.	
9.4.	You have to take some documents with you.
