A wonderful holiday

We interviewed Katie, aged 12, about her summer holiday last year.

Hi, Katie. Can you tell me what you did last summer?

OK. I went camping with my parents and my brother in Wales. We go there every year. It often rains there. I don't like the rain but the countryside is beautiful.

Do you go to the same campsite every year?

Yes, we do. It's in a forest and it's really nice. There's water there, but there isn't any electricity.

Oh! How do you cook?

We cook on a fire. It's fun.

Who does the washing up?

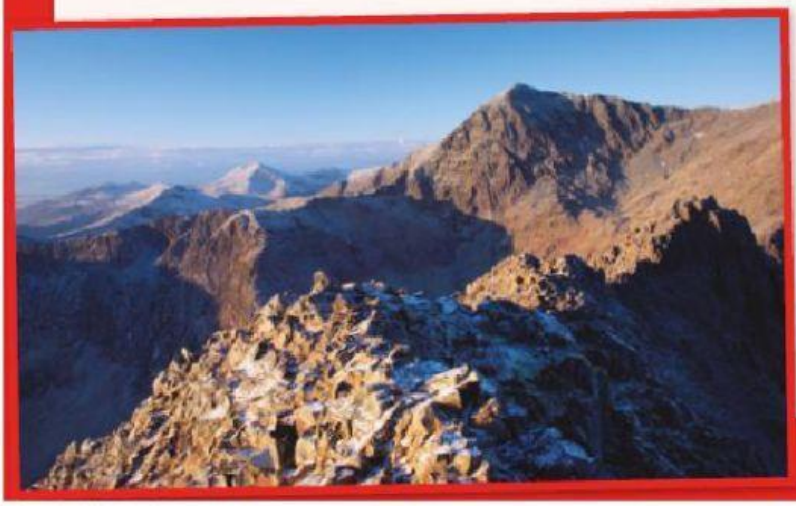

I do. I don't like doing the washing up at home, but I like doing it when I'm camping.

What do you do in the evenings?

Well, we don't listen to music or use our mobile phones, because we can't use the chargers! But I've got a torch, so I can read a book, and sometimes we play games.

Where is the campsite?

It's near Snowdon, which is the highest mountain in Wales. Last year we went to
the top of the mountain. We were lucky – it didn't rain that day! The view was amazing! We could see Ireland!

There's a train that goes to the top of the mountain. Did you go on the train?

No, we didn't. We walked up. Lots of people go on the train, but I love walking.

What do you like best about camping?

Sleeping in a tent.
