

Listening Practice

Listen to the audio about: "5 Tips for Using Video Games for Language Learning" and fill the gaps.

Video games can be a great way (1) _____

but can they be (2) _____ for language learning?

5 tips to do that:

Tip 1: (3) _____ you are learning, it means that change the language at (4) _____ of the game.

Tip 2: (5) _____ with people from around the world this can be a great way to meet people that have the similar interests.

Tip 3: Look out for YouTube gamers like Benny Lewis, he regularly hosts (6) _____ sessions in different languages.

Tip 4: Think about what type of game you're playing. For example, if you choose one player shooter, you don't probably learn the language as well

Tip 5: Make your (7) _____ If it doesn't exist, start from the scratch, that it's especially good for (8) _____
