## My Head & My Heart

## Ava Max

Baby, now and then  I about me now and who I could have been  And then I all the perfect that we lived  I'll I cut the strings on your tiny violin, oh whoa
mind's got a m-m-mind of its own right now And it makes me hate me I'll explode like a dynamite if I can't decide,
My and my heart are torturing me, yeah 'Cause my mind, and your, I go to extremes, yeah When angels tell me run, and monsters call it love, oh My and my heart are caught in-between, yeah
La-la-la-la La-la-la-la-la-la
Tell me or no Asking the heavens, "Should I stay or should I?" You held my hand when I had nothing left to hold And now I'm on a roll, oh Oh whoa
mind's got a m-m-mind of its own right now And it makes me hate me I'll explode like a dynamite if I can't decide,
Myand my heart are torturing me, yeah 'Cause my mind, and your, I go to extremes, yeah When angels tell me run, and monsters call it love, oh My and my heart are caught in-between, yeah
La-la-la-la La-la-la-la-la-la
I'm standin' at the crossroads I cross my with X and O's Which way leads to forever? Whoa-oh-oh-oh God only knows
My and my heart are torturing me, yeah 'Cause my mind, and your, I go to extremes, yeah When angels tell me run, and monsters call it love, oh My (my head) and my heart (my heart) Are caught in-between, yeah
