+1

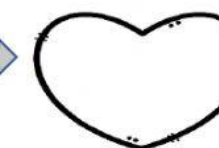

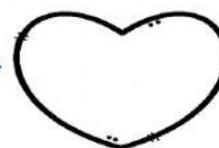

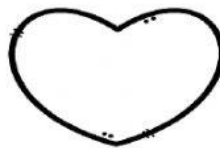

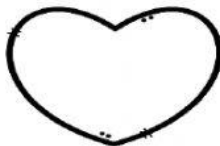

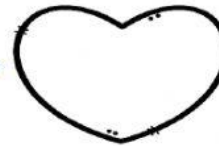

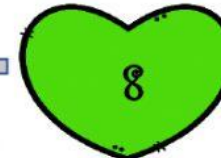

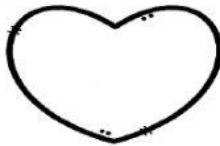

Illustration of four children (a girl and a boy on the left, and a girl and a boy on the right) standing under a string of green bunting flags. Below the children are two orange boxes with blue borders: the left box contains -1 and the right box contains $+1$.

Below the boxes is a grid of 8 rows of hearts. Each row consists of three hearts: a white heart on the left, a colored heart in the middle, and a white heart on the right. The colored hearts contain numbers. Arrows point from the middle heart to the left heart and from the middle heart to the right heart.
