2. Escribe en las canastas los números de 2 en 2 ordenadamente.

The illustration shows an apple tree with several apples, each containing a number. Below the tree are two rows of five baskets each. The first basket in the first row contains an apple with the number 24. Red arrows indicate a sequence: a vertical arrow pointing down from the 24 apple to the first basket, and horizontal arrows pointing right from the first basket to the second, and from the second to the third in the second row.
