I. Read the text below and answer the following questions!

*(Bacalah teks berikut dan jawablah pertanyaannya!)*

Today is Wednesday. Marry is absent. She is sick. She has a headache and fever. Her father, Mr. Anton takes her to the hospital. They go there by car. There is a doctor in the hospital. She is Mrs. Linda.

Mrs. Linda checks Marry's condition. She takes her stethoscope to check Marry's heart beat and takes a thermometer then puts it in Marry's arm pit. So she can measure Marry's temperature. Mrs. Linda says that Marry needs a rest. She also gives Marry some medicine, capsules and a bottle of syrup medicine to drink. She has to drink them three times a day. She also says get well soon to Marry.

1. What happens with Marry?
2. Who takes Marry to the hospital?
