*I Love Coffee!*

There's a supermarket in my neighborhood called Tom's Supermarket, and I go shopping there \_\_\_\_\_. They have lots of fresh fruits and vegetables, and I love the coffee they sell. It's called 'Tom's Brazilian Coffee' and it \_\_\_\_\_ really great! I always get up early, so I \_\_\_\_\_ have a cup of it before I go to work. It helps me to wake up. I like to add a little \_\_\_\_\_ and some milk to my coffee, so it doesn't taste too \_\_\_\_\_. Not always, just \_\_\_\_\_, I have a second cup at work. One of my friends likes to drink three or four cups of coffee every day, but not me! I \_\_\_\_\_ have more than two cups. If I drink more than two cups of coffee in one day, I can't get to sleep at night because there is caffeine in drinks like coffee and \_\_\_\_\_. I love coffee, so you probably think that it's my favorite drink ... but, you're wrong! Every night, just before I go to bed, I always have a nice, warm glass of \_\_\_\_\_. It's very \_\_\_\_\_ and it helps me to fall asleep. How about you? Is milk your favorite drink ... or do you hate it? What's your favorite drink? And what's your favorite food?
