WATCH THE VIDEO: AND LISTEN CAREFULLY:

Complete the information:

Countable nouns: We can put a _____ before them. They have _____ and _____ forms.

Examples, complete with "is" or "are":

There ____ one fridge in the room

There ____ four chairs

There ____ two lamps on the wall

Uncountable nouns: We cannot put a _____ before them. That have no _____ form.

Examples:

_____ water
_____ water
_____ water

To quantify uncountable nouns we use: measure words or counters:

two _____ of furniture
one _____ of water
one _____ of cereal
two _____ of soap
