

## Summer by Calvin Harris

Listen to the song and fill in the gaps with the verbs in the boxes using past simple:

When I \_\_\_\_\_ you in the summer

Fall - meet

To my heartbeat sound

We \_\_\_\_\_ in love

As the leaves turned brown

And we \_\_\_\_\_ be together baby

Meet – can - lie

As long as skies are blue

You act so innocent now

But you \_\_\_\_\_ so soon

When I \_\_\_\_\_ you in the summer

Fall - meet

When I \_\_\_\_\_ you in the summer

To my heartbeat sound

We \_\_\_\_\_ in love

As the leaves turned brown

And we \_\_\_\_\_ be together baby

Meet – can - lie

As long as skies are blue

You act so innocent now

But you \_\_\_\_\_ so soon

When I \_\_\_\_\_ you in the summer

Summer...
