2 Ahora escribí sobre TUS cosas favoritas. Podés usar traductor. ¡No hay problema! Pero siempre chequear que sean palabras conocidas, que sean los verbos que estamos viendo, tiempos verbales que conocés (no tiempo pasado! o ¡futuro!).

I've got two favourite things: my TV and my personal diary. My TV isn't modern. It's old, but it's O.K. My personal diary is small and yellow.

I've got a skateboard. It's very good. It's blue and grey. But my favourite thing is my CD player. It's cool!

Aquí tenés dos modelos para guiarte. Usá adjetivos para describir como *modern, big, small, etc*

3 Sit in groups. Ask and answer questions about favourite things.
