

Famous and hobbies

1) Guess and match famous people with their hobbies:

The image shows a collage of famous people and hobbies. At the top, there are five hobbies: 'collecting comics' (red), 'fishing' (yellow), 'cooking' (blue), 'reading' (purple), and 'painting' (red). Below the hobbies are five portraits of famous people, each labeled with a letter in a green circle: A (Emma Watson), B (Zac Efron), C (Dianna Agron), D (Rafael Nadal), and E (Robert Pattinson). The portraits are arranged in a non-linear fashion: A is top-left, B is top-center, C is top-right, D is bottom-left, and E is bottom-right.

2) Listen to two friends talking about famous people and check.

3) Listen again to the conversation and complete the notes:

Homework

4) Write about your favourite famous person and his/her hobbies.
