

Politicians on crime

Politicians often 1. _____ about crime. Here are some extracts from recent ones.

"In 2. _____ crime we will not just 3. _____, but all crime, including 4. _____ and 5. _____, so that the streets will be safer for everyone."

"If someone 6. _____, **steals your car**, or **robs you** in the street, then of course you feel 7. _____ has 8. _____. That's why we're determined to 9. _____."

"We are doing everything in our power to 10. _____. The 11. _____ has come down, and that is because we have put 12. _____ more police officers on the streets and focused on 13. _____, because that is where the problem begins."

"This 14. _____ is doing very little to fight crime. We have all had some experience of the recent 15. _____ in our cities, whether it is 16. _____ or more 17. _____."

"The 18. _____ are the worst since 1995. We have had a 19. _____ in this part of the city, 20. _____, 21. _____ and so on, and police have reported a 22. _____ in the number of acts of 23. _____. It is time the 24. _____ did something."
