Ain't nobody got a mom like mine
She loves me like nobody else
I'm her girl no matter what even when I'm lying
You might have a mom, she might be the bomb
She taught me how to love myself
But ain't nobody got a mom like mine
Her love's 'til the end, she's my best friend
She my world, she's my heart and there's no denying
She loving me, loving me, loving me, loving me, love
I'm telling you, telling you, telling you, telling you all
