

Emily's holiday

1) Ke každé odpovědi doplň správnou otázku.

Did you have a good time?

Where did you go on your last holiday?

What did you do there?

I stayed home during my last summer holiday.

Every day, I got up and had very good breakfast. Then I went out and met some of my friends. I also saw a lot of nice films.

I really liked that I stayed home but one bad thing happened. When I was riding my bike, I fell over and broke my arm.
