

### Section 3: Renewable Energy

#### Matching:

1- Renewable  
Energy  
Resources:-

Pollution free

2- Renewable  
energy  
Advantages

Hydrogen & Biomass

3- Alternative  
Fuels

is an energy source that is re  
placed faster than humans  
can consume them

#### 2- Drag and Drop the correct answer:

Geothermal    Soler cell    Tides Hydroelectric power  
Windmills    Hydroelectric

Energy from the:	
Sun	
water	
wind	
Inside earth	
ocean
