

Impact 1 – Reading Practice 4

Internet Addiction

Fill in the blanks with words from the list:

may/ how/ addicted/ for/ instead of/ can/ themselves/ However/ worse/ impact/ which
--

Internet has many advantages and disadvantages. Firstly, it's good for kids to know (1) -----
----- to use a computer and internet. They (2) ----- use internet tools
and resources to communicate, entertain (3) ----- and make purchases. In
addition, they can find information, search good articles and syllabus (4) ----- their
schools. Furthermore, they can learn new things from the internet. They can also do their
homework on computer (5) ----- wasting time writing down. (6) -----,
there are also negative effects. They (7) ----- open some bad sites or even (8) -----
----- . They might be (9) ----- to games on the computer or even online-
games (10) ----- are most the time violent. This could have a negative (11) ----
----- on kids because they learn what they see and do.
