

Listen to the song and choose the correct answer.

GREEN EYES

Honey, you are a **ramp / rock**
Upon which I stand
And I **come / came** here to talk
I hope you understand

The green eyes
Yeah, the spotlight
Shine / shines upon you

And how **could / can**
Anybody deny you?

I **came / come** here with a load
And it feels so much lighter now I've met you
And honey, you **shouldn't / should** know
That I could never go on without you

green **eyes / ice**

Honey, you are the sea
Upon which I float
And I **come / came** here to talk
I think, you **should / shouldn't** know

The green eyes
You're the one that I **want / wanted** to find
And anyone who tried
To deny you **must / mustn't** be out of their minds

'Cause I came here with a load
And it **feels / feel** so much lighter since I met you
Honey, you should know
That I **couldn't / could** never go on without you
