a. Reading

1. Read the text (*Leé el texto*)

Hi to our new friends in London, UK.
Here's a description of life in Toronto.

Toronto is the capital of Ontario in Canada. The city is very close to Lake Ontario. It snows in Toronto from December until March. For 65 days of the year there is one centimetre or more of snow on the streets. In winter we usually stay at home or go to shopping centres under the city.

We love summer and on July 1st there is a big festival, Canada Day. We go to Mel Lastman Square to see the fireworks and listen to music. It's fantastic!

In winter, when it's cold, we often go skating at the weekends, or we go to the cinema. We go skiing with our mum and dad on Saturdays too. It's good to play in the snow, but it's very cold, so we drink hot chocolate when we go home.

In the autumn school starts at 8:20am and ends at 3:30pm. We do our homework at 4:30 and finish at 7pm. We have dinner between 7 and 8 o'clock. Sometimes we eat later because our mum and dad both work.

Dear Emma,

Hello from Pipa, Brazil! I really like this town.

It has got lots of beautiful beaches to visit, old buildings and small houses of many colours. This town is very colourful! There are some parks where you can see some animals walking around, but they are not dangerous. What I like most about Pipa is that it has got many Restaurants where you can eat typical Brazilian food.

Why don't you come and visit?

Best wishes,

Mica.
