## You Shook Me All Night Long AC/DC

## (Song suggested by Bruna Faglioni)

She was a fast	Now I'm back in the ring to take
She xx her motor clean	another
She was the best dang woman that I	'Cause the walls were shaking the
ever seen	earth was
She had the eyes	My mind was aching
Telling me no lies	And we were making it
Knocking me out with those	
American thighs	[chorus]
Taking more than her share	And you shook me all night long
Had me for air	Yeah, you shook me all night long
She told me to come, but I was	It knocked me out I you
already there	Shook me all night long
'Cause the walls start shaking	You had me shaking and you
The earth was quaking	Shook me all night long
My mind was	Yeah, you shook me
And we were making it	When you took me
[chorus]	[Guitar Solo]
And you shook me all night long	
Yeah, you shook me all night long	[chorus]
	You really took me and you
Working time on the	Shook me all night long
seduction line	Ah, you shook me all night long
She's one of a kind, she's just mine,	Yeah, yeah, you
all mine	Shook me all night long
Wanted no applause it's just another	You really got me and you
course	Shook me all night long
Made a outta me	Yeah, you shook me
And come back for more	Yeah, you shook me
Had to cool me down to take another	All night long
