

# The Sound of Silence by Simon & Garfunkel

## Number the lines

- ☐ Left its seeds while I was sleeping
- ☐ I've come to talk with you again
- ☐ Within the sound of silence
- ☐ Hello, darkness, my old friend
- ☐ And the vision that was planted in my brain
- ☐ Because a vision softly creeping
- ☐ Still remains

## Join the two parts

In restless dreams

Narrow streets

'Neath the halo of

I turned my collar to

When my eyes were stabbed

That split

And touched

by the flash of a neon light

a street lamp

the sound of silence

I walked alone

the night

the cold and damp

of cobblestone

## Drag and drop the words onto the blanks

And in the \_\_\_\_\_ light I saw

Ten thousand people, maybe more

People \_\_\_\_\_ without \_\_\_\_\_

speaking

no one dare

writing songs

hearing

People \_\_\_\_\_ without \_\_\_\_\_

never share

People \_\_\_\_\_ that voices \_\_\_\_\_

naked

And \_\_\_\_\_

listening

Disturb the sound of silence

talking

### Fill in the blanks

\_\_\_\_\_, said I, you do not know?

Silence like a \_\_\_\_\_ grows

Hear my \_\_\_\_\_ that I might \_\_\_\_\_ you

Take my \_\_\_\_\_ that I might \_\_\_\_\_ out to you

But my words like silent \_\_\_\_\_ fell

And echoed in the \_\_\_\_\_ of silence

### Put the letters in the correct order

And the people bowed and **darpey** \_\_\_\_\_

To the neon god they made

And the sign flashed its **rinngaw** \_\_\_\_\_

In the words that it was **gronfim** \_\_\_\_\_

And the sign said

The words of the prophets are **trintwe** \_\_\_\_\_ on the **wusyab** \_\_\_\_\_ walls

And tenement halls

And **preshiwed** \_\_\_\_\_ in the sound of silence
