My name Luca. I am 30 years old.I with my parents. I a disability. I part time in an office.I personal independence payments every four weeks. I to the PIP consultation centre. I a healthcare professional. They me many questions about my health and lifestyle. I them about my health problems. They my information on the computer.Twelve weeks later, the job centre a letter to me. They said I will money every four weeks. Now I £249 in my bank account every four weeks. I am very happy.
