

# POPSICLE

LISTEN AND CLICK THE CORRECT WORD!

My phys-ed teacher's got me **working/studying** too hard  
Relax after school sitting out in the **yard/garden**  
Just me and my **baby/girlfriend** I'm holding her hand  
And then pop ding a ling here comes that **popsicle truck/man**  
Orange, lemon, **cherry/strawberry** and lime  
Fudge, tutti-frutti and a grape that's **fine/great**  
Buy one for me and **two/one** for my chick  
A lot of good eating on a **popsicle spoon/stick**  
Popsicle ba-ma-ma-ma (2X)  
If you want to **stay/keep** cool it does the trick  
And it comes on a stick Uh-huh-huh uh-huh-huh  
Some people buy popsicles just for **kicks/fun**  
But me and my **girl/baby** we save the sticks  
To keep brother and sister **quiet/silent** as a mouse  
We give them popsicle sticks to **build/make** a popsicle house  
Popsicle ba-ma-ma-ma (2X)  
If you want to **keep** cool it does the trick  
And it comes on a stick Uh-huh-huh uh-huh-huh  
So when you **hear/listen** to the bell go ding a ling  
That's the **popsicle man/guy** and he's the goody king  
Save popsicle wrappers and **before/after** long  
You'll **get/win** a phonograph to play this record on  
Popsicle ba-ma-ma-ma (2X)  
If you want to **keep** cool it does the trick  
And it comes on a stick Uh-huh-huh uh-huh-huh
