They _____ at the museum

A diagram showing the BE verb forms. On the left, subject pronouns are listed: I, he, she, it, You, We, They. Brackets group them into three categories: 'I, he, she, it' are grouped together and connected to the word 'BE' in red; 'You, We, They' are grouped together and connected to the word 'was' in red; and 'You, We, They' are again grouped together and connected to the word 'were' in red.

He _____ stupid

A diagram illustrating the use of subject pronouns with different forms of the verb 'BE'. On the left, subject pronouns are listed: I, he, she, it, You, We, They. These are grouped into three categories by red brackets and lines pointing to the right. The first group, 'I, he, she, it', is bracketed together and points to the verb 'BE' in red text. The second group, 'You', is bracketed and points to the verb 'was' in red text. The third group, 'We, They', is bracketed and points to the verb 'were' in red text.

The children _____ at school.

A diagram showing the forms of the verb 'BE'. On the left, the pronouns 'I', 'he', 'she', 'it', 'You', 'We', and 'They' are listed vertically. Brackets group them into three categories: 'I', 'he', 'she', 'it' are grouped together and bracketed above; 'You', 'We', and 'They' are grouped together and bracketed below. To the right of these groups are the forms 'BE', 'was', and 'were', each aligned with its respective group of pronouns.
