Listening to solve problems Test (10 pts)

Competence: Students listen critically and respond appropriately to oral communication. (Speakers talk in a manner that guides the listener to understand important ideas by using proper phrasing, pitch, and modulation.).

Achievement indicator: Students demonstrate understanding of sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography).

Instructions: Listen to the audio, and choose Maggie's pets.   ___/3 pts

Instructions: Listen to the audio again, and choose the answers.   ___/7 pts
