Please look at the video attached to your platform

In the following Video you are a going to see a compain advertisement.

First we have to look what is a compain.

A compain advertisement is something a group of people stand together to make a stand against something or stand with something.

In this add you have to annalise the advert first then make your own compain add for peace in Jerusalem.

Your tutor will discuss the following with you

1. Why do you think the advert is been put in such way?
2. What is the message that they want to bring to the public.
3. Do you think that this will have an economic boost or fall in the company
4. How do you think the public would react regarding the advert?

You need fist to understand the background of the advert first before you can understand the advert.

Remember you are going to make your own compain advert and you need to do your History background before starting with any Peace compain.

Upload your final project to the platform in the form of a MP4 vedio.

What you will be assist on:

1. Your ability to understand the function of Power point
2. The historical re-search and action taken on a certain topic
3. Do you stick to the topic
4. Understandable concept
5. Outline of the advertisement a catch
6. Ways of using the factions in Microsoft account.
