

Should I stay or should I ...

Darling, you got to let me **know/see**
Should I stay or should I **be/go**?
If you **say/speak** that you are mine
I'll be here 'till the end of **day/time**
So you got to let me **knew/know**
Should I stay or should I go?

[Verse 2]

It's **always/often** tease, tease, tease
You're **fine/happy** when I'm on my knees
One day it's **fine/happy** and next it's **black/blue**
So if you want me off your **back/head**
Well, come on and let me know
Should I stay or should I go?

[Chorus]

Should I stay or should I go now?
Should I stay or should I go now?
If I go, there will be trouble
And if I stay it will be double
So come on and let me know
