The **RADICAL** ROCK Climbing Centre

¹ This school was amazing. I took a four-week course. I didn't know how to climb before, but I do now! I wanted to learn to climb to be ready for my summer rock climbing camp. I went in the afternoons after school and on Saturday mornings. They gave us special shoes and a helmet because it's important to be safe.

² I went to the summer camp they organised, too. On the first day we went hiking. We walked to a beautiful waterfall. We were very hot so we went swimming. After that, we went climbing for the first time. It was a little difficult and sometimes scary, but it was incredible!

³ The instructors, Sammy and Mike, were nice. They helped us and explained how to use the equipment. I really liked Sammy. She was friendly, funny and great at rock climbing.

⁴ I enjoyed the camp because I met lots of new people. I also enjoyed doing the activities and being outside. I learnt that I can do anything if I try, even things I find scary. I hope I can go to the camp again next summer!
