At 10.30 a.m., Michael's class were jogging the gym. But when Charles Duff, the sports teacher, told Michael to clean his dirty trainers, he got really angry. He ran the gym, and back to the changing rooms where he found Mr Duff's keys. From there, he went to the car park, got Mr Duff's Ford Mondeo, and started the car. Then he drove the road, the bridge, past the security guard, and the school gates. Then he turned left and drove along the road for about 100 metres towards the maths teacher's house. That was when he lost control. He tried to stop, but instead went a field and crashed into a tree. Michael has now left Hove Park School.
