Fill in the blanks.

vegetables	from		planting
eat	grow	should	stores

Everybodydo gardening as a hobby. We can all
get back to nature. It is a very relaxing hobby. I love
seeds and seeing them You also
learn a lot about flowers,, shrubs and trees.
Of course, gardening is also very practical. If you grow
vegetables, you can what you grow. Fresh
vegetables picked your garden taste better than
the vegetables you buy in the Gardening is
good for you. It makes you feel part of nature.
