REVIEW

1) Write the adjectives in their category.

ADJECTIVES	JOBS	COMPUTERS	ANIMALS

2) Match an adjective and a noun to each picture:

strong

helpful

frightening

crocodile

shop assistant

coach

mechanic

young

active

deer

3) Who says this? Write the name of the jobs. *(Use lower case letters)*

a) "I love animals. That's why I help them when they get sick." ....

b) "I repair people's cars, vans and motorbikes when they are broken". ....

c) "I show my city to tourists that visit it. My favourite part is walking around the city centre with them."

....

d) "I design people's homes and other buildings. I designed one school last month." ....

e) "I cut, dye and style people's hair. It's relaxing for me and for them." ....

4) The words in bold are in the wrong sentences. Write them next to the correct sentence.

a) It's late! I'm going to **connect** the TV and go to bed. ....

b) Why didn't you **store** to my text message yesterday? ....

c) I'm going to **turn off** Jim to be my friend on social media. ....

d) I'm not reading my emails now because I can't **paste** to the internet. ....

e) I'm going to copy this picture and **store** it in my project. ....

f) I don't want to lose the songs on my computer, so I'm going to **paste** them on a portable hard drive. ....

g) They cannot **download** online for the History project. They can only use their books.

....

h) We had to **search** the pictures from Instagram and then upload them to Drive

....
