

Origami paper bird

Read and listen to the steps below carefully. Drag and drop to the correct picture.

Step: 1

Step: 2

Fold the paper in half by folding the top corner to the bottom corner.

Step: 3

Step: 4

Start with a square piece of paper.

Turn the paper over.

Fold part of the top down so that the edge is about halfway down.

Step: 5

Step: 6

Take the bottom corner of the top layer and fold it up.

Fold the figure in half by folding the left side over to the right.

Step: 7

Step: 8

Fold the other wing back also.

Now fold that same flap back like this to make one of the wings.

Push the center of the head in and flatten. This is called an inside reverse fold.

Step: 9

Step: 10

And tada! You have yourself a bird.
