Hello! My name is Alfie. I am six years old and I live in Edinburgh, the capital of Scotland . I like watching cartoons and playing video games. My dad's name is Richard. He gets up very early in the morning and makes breakfast. He usually makes eggs and toast. He is good at cooking. Emily is my mum. She gets me ready for school and walks there with me. We can walk to school because we live nearby. My school is between Edinburgh Castle and the Meadows. Winter in Scotland is very cold and some people have to sleep outside. On Saturday mornings my dad and I walk along Princess Street and give hot drinks to the homeless people. We like to help.
