

1. Listen to the song and complete.

Where's my skateboard? It isn't here.
I can't find my skateboard. Oh dear!! Oh dear!!

The is in the cupboard, keep looking.
The is in the cupboard, keep looking.
Look on, look in, look under things to find my skateboard, too!

The is on the shelf, keep looking.
The is on the shelf, keep looking.
Look on, look in, look under things to find my skateboard, too!

The is under the table, keep looking.
The is under the table, keep looking.
Look on, look in, look under things to find my skateboard, too!
