

Next Year Baby by Jamie Cullum

Gonna: informal way to say "going to"

Listen to the song and fill in the gaps with gonna and a verb from the boxes:

Next year,

Things are _____,

_____ less beer

And start all over again

_____ my socks

_____ my shower

_____ by the clock

But get up at a decent hour

Pull up - drink – not live -
clean - change

_____ more books

_____ with the news

_____ how to cook

Keep up - read – learn

And spend less money on shoes

Pay my bills on time

File my mail away, everyday

Only drink the finest wine

And call my Gran every Sunday

Resolutions

Well baby they come and go

Will I do any of these things?

The answers probably no

But if there's one thing, I must do,

Despite my greatest fears

I'm _____ to you

How I've felt all of these years

Next year, next year, next year

I _____ you, how I feel

Well, resolutions

Baby they come and go

Will I do any of these things?

The answers probably no

But if there's one thing, I must do,

Despite my greatest fears

I'm _____ to you

How I've felt all of these years

Next year, next year, next year

Tell – say (x2)
