Yesterday, I got up early and made a packed lunch. Then I took the bus to town. I met Ellie at the museum and we spent an hour there. Then we went to the park and had our lunch. It was a nice day, and we sat by the lake. We took photos with our mobile phones. At about half past three, we went to the cinema and we saw the new Leonardo DiCaprio film. After the film, we walked to the bus stop and came home by bus. In the evening, Ellie stayed at my house for dinner. My mum made pizzas for us. Ellie's dad came for her at about seven o'clock.
