I've been around the _____

A couple of times or maybe more

I've seen the sights, I've had delights

On every foreign shore

But when my friends all ask me about

The _____ that I adore

I tell them right away

I'll be standing in the _____

Cooking up a roast

With Vegemite on toast

Just you and me, a cup of _____

And later on, we'll settle down

Beside the hitching post

And watch the _____ play

CHORUS

There's a Safeway on the corner

And a Woolworths down the _____

And a new one's just been opened up

Where they regulate the heat

But I'd trade them all tomorrow

For a simple bush retreat

Where the kookaburras _____

CHORUS

Some people like their houses built
With fences all around
Others live in mansions
And some beneath the ground
But me I love the bush you know
With lizards running round
And a pumpkin vine out the back

CHORUS:

Give me a home among the _____

With lots of plum trees

A sheep or two, a _____

A clothesline out the back

Verandah out the front

And an old rocking _____
