

Billie Eilish - No time to die

I should have known / have own / have drown
I'd leave alone

Just goes to

That the blood you bleed is just the blood you blow / home / owe

We were a pair

But I saw you there

Too much to wear / bear / pair

You were my life but life is far

Was I stupid to love you?

Was I necklace / reckless / restless to help?

Was it obvious to everybody else

That for a lie

You were never on my side / site / sign

Fool me once, fool me twice

Are you death or

Now you'll never see me try / pry / cry

There's just no time to die

I let it burn

You're no longer my

Faces from my past return

Another lesson yet to earn / learn / turn

That for a lie

You were never on my side / site / sign

Fool me once, fool me twice

Are you death or

Now you'll never see me try / pry / cry

There's just no time to die
